SUPPLEMENT TO REPORT NO. 25X1X

1. Since the beginning of 1950, 20 Praga buses, each having a capacity of 60 persons, and about 800 Pobeda, Tarta and ZIS trucks have arrived from Soviet Russia, Czechoslovakia and Hungary.

25X1AB: [REDACTED] machinery, engines and electric generators taken as indemnity from Germany by Soviet Russia, on behalf of Albania, are constantly pouring into Albania via Trieste.

25X1A [REDACTED] Comment: Few reports previously received specifically indicate such a large and continuous flow of machines and engines being shipped to Albania as part of German reparations.

25X1A

25X1A [REDACTED] describe large quantities of German war reparations materials which were awaiting shipment to Albania as of 18 August 1950.

25X1A [REDACTED] much of the goods listed as "other machinery" which left Trieste for Albania originally came from East Germany.
